SCHOOL

# Extension Building School Campus

Updated:  
19.01.2026

The school campus currently consists of a renovated old school building A (2007), a new school building B (2007), and a multi-purpose sports hall (2007).

**Status  
Quo**

As of August 2025, a total of 453 boys and girls from 60 nations from Kindergarten to Grade 12 are accommodated on the school campus.

# Reasons for Extension Building

- The current buildings have almost reached their capacity limit
- There are already no additional classrooms to accommodate the children and young people in a new classformation (3 classes)
- Some class levels (2 classes of each grade level) are full with 22 students; there is already a waiting list for some grade levels
- Additional rooms needed, for e.g. Mandarin classes

# New Building

At the former parking place.

Architects: Kaden+

Focus on sustainable timber construction with facade greening.

New classrooms, special subject rooms, multi-purpose room, practice/meeting rooms, parking

Increase of Capacity >> 90 students

# Multi-Purpose Room

Will be used for e.g. assemblies, performances, theater, concerts, exhibitions, and sports.

# Costs

---

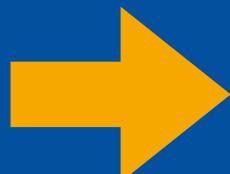

**7.6 Million Euros**

**Only the Building 6.8 Million Euros**

As a non-profit limited company, we finance the operation of the school with the school fees and donations for the operational area. As a gGmbH, we operate on a non-profit basis.

Funding for the new school project, with costs estimated at € 7,6 million will come from three sources:

- Stadt Dresden
- Freistaat Sachsen
- Long-term loan
- DIS' Capital Campaign fund (private donors, companies and foundations)

**Goal Fundraising: 800,000 Euros**

# Time Line

**Groundbreaking  
Ceremony**  
**18 June 2025**  
**10:00**

**Constructions Start**  
**June 2025**

**Richtfest**  
**15 January 2026**

**Grand Opening**  
**Spring 2027**

Changes are possible.

INSPIRE.

MOVE FORWARD.

GIVE BACK.

# Together We Grow
