

Dresden International School (DIS) is a comprehensive school offering an all-day program. We offer an outstanding and continuous education from Preschool to Grade 12. The language of instruction and colloquial language is English. DIS aims to provide children and teens from throughout the world with an international education based on the International Baccalaureate program and philosophy. Our school is unique as children can join in preschool and complete their education to university entrance in the same school. DIS sees it as its special task to promote understanding between different cultures and the individual talents of young people.

Would you like to work in an innovative and international learning environment? Are you interested in international education? We are looking for a full-time educator (m/f/d) for our location at Goetheallee 18 in Dresden as soon as possible.
