

Dresden International School Student Photograph and Publication Consent Form

Students who attend Dresden International School (DIS) are occasionally asked to be a part of school publicity, publications and/or public relations activities. In order to guarantee student privacy and ensure your agreement for your student to participate, the school asks that you (parents) sign and return this form to the school.

A. School-Only Use

DIS may use the following: student name (family name only with a separate permission), likeness (in the form of photographs, films or portraits), voice, products created by the student as a part of class work or other school-related activities (for example papers, art work, films, stories, poems, etc.).

These items would only be used by DIS in the following venues:

- School intranet (access would be restricted by password and limited to DIS teachers and staff, DIS students, families of students),
- Print version of the DIS yearbook,
- School ID cards,
- School internal administrative systems,
- In in-class and co-curricular projects,
- In school buildings,
- At public school events,
- And DIS school communications intended for the DIS community (such as DIS News and Notes).

We understand that these items may be used by DIS in subsequent years.

B. Public Use for School Purposes

In respect of privacy, DIS recognizes the need to restrict the use of the student's name in public venues. DIS may use the following: likeness (in the form of photographs, films or portraits), voice, products created by the student as a part of class work or other school-related activities (for example papers, art work, films, stories, poems, etc.).

These items would be used in the following venues:

- School publications used for school promotion,
- Films and voice recordings used for school promotion,
- And The DIS internet site.

We understand that these areas are intended for the general public and therefore available for use by third parties.

We understand that these items may be used by DIS in subsequent years.

C. Public use for Social Networks

The school uses social media (e.g. Facebook, Twitter, Xing, LinkedIn, Instagram) as a public relations tool. We agree, that pictures (in the form of photographs, films or portraits) of my child may be used. We were explicitly informed that the data may also be used outside of the European economic area.

We, the undersigned, have full authority to give permission on behalf of _____ (student's name).

Please select one of the following:

- I grant permission for **school-only use, public use, and social media use for school purposes.**
- I grant permission for both **school-only use and public use for school purposes.**
- I grant permission for **school-only use.**
- I do not grant any permission for any of these cases.

We understand that we have the right to withdraw the permission, given to DIS Dresden International School gGmbH, at any time with effect for the future. All changes have to be in written form.
