

# BYOD Responsibilities for Students

## General

1. I must make sure that my laptop is working.
2. I know that sometimes laptops need repair, and I will tell my parents about laptop problems immediately.
3. I must charge my laptop overnight to make sure it is ready for all of my classes, and I may not charge it in school.
4. I must make a backup of my schoolwork. If I lose my work because my laptop is damaged, that is not a good excuse to miss an assignment due date.
5. I must follow my parents' rules about the laptop.
6. I should use good posture when using my laptop.
7. Between school and home, I must keep my laptop in my backpack.
8. I may not use software, videos or websites that are violent, are pornographic, promote Nazi extremism, promote racism or promote illegal drinking or drug use. Teachers have the final say if there is a question.
9. I will give DIS staff appropriate access to my laptop upon request.

## Inside of Class

1. I must bring my laptop to all classes except PE in the sports hall.
2. I must close my lid when teachers instruct me to do so.
3. I will use my laptop for school work when inside of class.
4. I may not share any assessment materials without the permission of teachers.
5. I will not use my computer during DEAR time.
6. If I come to class with a non-functioning laptop three times in a semester, a letter will go home to my parents.

## Outside of Class at School

1. I will not use my laptop in the cafeteria.
2. I will put my laptop away in my locker during lunch.
3. In the hallways, I will protect my laptop by carrying it in a laptop bag.
4. If the library is open and I am not in class, I will go there to use my laptop.

-----

I have read and understood the BYOD Responsibilities for Students.
